This three bay dwelling has a projecting front gable, rowlock sills and an aluminum boxed cornice.

DHR ID# 000-7820-0389

Address Explanation 912 North Daniel Street

Date: 1970 **Non-contributing**

Architectural Summary:

This five bay dwelling has a central entrance flanked with panels, rowlock sills at the windows, an aluminum clad cornice and overhanging eaves.

DHR ID# 000-7820-0390

Address Explanation 916 North Edgewood Street

Date: 1960 **Non-contributing**

Architectural Summary:

This four bay dwelling has a boxed wood cornice and overhanging eaves. The second floor has a concrete balcony with iron rails and a shed roof.

DHR ID# 000-7820-0391

Address Explanation 910 North Edgewood Street

Date: 1960 **Non-contributing**

Architectural Summary:

This three bay dwelling has a central entrance with a wood surround featuring fluted pilasters and a broken pediment with urn. The house also has rowlock sills at the windows and a wood cornice.

DHR ID# 000-7820-0392

Address Explanation 206 North Edgewood Street

Date: 1990 **Non-contributing**

Architectural Summary:

This five bay dwelling has a recessed central entrance flanked by five light sidelights and set into a wood surround with fluted pilasters and a plain entablature. The house also has rowlock sills and cast concrete splayed lintels with keystones, and a wood cornice with dentils.

Date: 1990 **Non-contributing**

Architectural Summary:

This one bay wood frame garage is clad in vinyl siding and has a front gable roof with asphalt shingles.

DHR ID# 000-7820-0393

Address Explanation 814 North Fillmore Street

Date: 1980 **Non-contributing**

Architectural Summary:

This three bay dwelling has three pane sidelights with dado panels, a boxed aluminum cornice and wide eaves.
